## 🕒 YOUR FIRST WEEKS — WHERE MOST BUILDS DIE

Nearly every abandoned build dies in the first quarter: parts not ordered, printer not tested, nothing started. Win the first weeks — order everything, print one test piece — and the rest is downhill.

# PICK YOUR BAR

*Same Nite Owl queen, three depths of blue — pick how far down the beskar you go. The same build can be finished to three different bars — pick yours **now**, because builders who polish for the wrong one burn weeks.*

LEAN · €180-250

## Casual

Reads as Bo-Katan at 5m on a foam-armour foundation — owl helmet, blue chest plates, and a flight suit, with the half-cape kept simple and pouches faked. Skip true beskar finish and freehand the Nite Owl sigil; from across the floor the blue silhouette carries the whole look.

EFFORT · ~45 hrs

MID · €260-360

## Convention

Reads as Bo-Katan at conversation distance — most builders land here with crisp two-tone blue-and-grey paint, a clean helmet, proper pauldrons, cod and thigh plates, and a sewn half-cape. Real weathering on the edges and a sharp, stencilled Nite Owl crest sell it under hall lighting.

EFFORT · ~75 hrs

MANDO MERCS · €400+

## Approved

Reads as Bo-Katan under inspection — Mandalorian Mercs approval demands a screen-matched owl helmet, exact Nite Owl blue, hard-shell or cast plates, functional belt pouches, and a lined half-cape with correct drape. Every rivet, sigil placement, and flight-suit seam survives a club judge's hands-on pass.

EFFORT · ~100 hrs

# THE FALLBACK PLAN

---

*A first-time build of this suit is **50–100 hrs** of hands-on work across **8 weeks**. Life happens — so decide right now what gets cut when the clock wins. Finished beats perfect.*

---

BEHIND LATE Simplify next: Half-Cape, Reference & Fit, Boots — buy instead of make, or borrow.

EMERGENCY Every printed part has a buy option. Switching one part to bought can save a whole week.

ALWAYS The final week is for wearing it, not building it — dress rehearsal beats one more coat of paint.

## 🕒 THE HONEST RULE

If a piece is not started two weeks before the event, it is not in this year's costume. Build it for the next one.
