- ▶ SCHEDULE 7 weeks plan
- ▶ BUILD TIME 30-60 hrs
- ▶ FORMAT Do this, then that

**A LONG TIME AGO, IN A WORKSHOP FAR, FAR
AWAY....**

7 WEEKS WEEK BY WEEK

Revan – the legendary Old Republic Jedi-turned-Sith-turned-Jedi from KOTOR. The weathered grey-and-rust-red Mandalorian mask + dark red hooded robes over a cuirass + the red lightsaber. Pairs perfectly with Nihilus.

Steady wins. May the Force be with you.

7 WEEKS TO REVAN

Weeks 7-6	Plan + order filament, dark red fabric, mask print	.
Weeks 5-4	Print + finish the mask – crossed red+grey pattern	.
Week 3	Sew the dark red hooded cloak	.
Week 2	Layered inner tunic + belt + saber	.
Week 1	Dress rehearsal + game day	.
APPENDIX	Quick reference & game day	.

🕒 YOUR FIRST WEEKS — WHERE MOST BUILDS DIE

Nearly every abandoned build dies in the first quarter: parts not ordered, printer not tested, nothing started. Win the first weeks — order everything, print one test piece — and the rest is downhill.

PICK YOUR BAR

*Same fallen Jedi, three depths of the legend — pick how close you stand to the holocron. The same build can be finished to three different bars — pick yours **now**, because builders who polish for the wrong one burn weeks.*

LEAN · €120-180

Casual

Reads as Revan at 5m: nail the silhouette — grey mask shape, dark-red hood up, robe flowing. Skip the cuirass entirely under the cloak, run a craft-foam or resin-kit mask, and let a cheap red blade carry the rest.

EFFORT · ~25 hrs

MID · €180-260

Convention

Reads as Revan at conversation distance — where most builders land. Add a real layered cuirass and a plate under the robe, weather the mask with grey-and-rust drybrushing, and upgrade to a hilt-and-blade saber that survives a hallway photo.

EFFORT · ~40 hrs

SCREEN-ACCURATE · €350+

Approved

Reads as Revan under inspection: a vac-formed or sculpted Mandalorian mask with crisp eye-slits and accurate verdigris, a proper sculpted cuirass, dyed multi-tone red cloak with hand-aged hems, and a machined-grade hilt. The KOTOR lifetime piece that pairs cleanly with Nihilus.

EFFORT · ~60 hrs

THE FALLBACK PLAN

*A first-time build of this suit is **30–60 hrs** of hands-on work across **7 weeks**. Life happens — so decide right now what gets cut when the clock wins. Finished beats perfect.*

BEHIND LATESimplify next: Sash, Reference & Fit, Trousers, Tall Boots — buy instead of make, or borrow.

EMERGENCYEvery printed part has a buy option. Switching one part to bought can save a whole week.

ALWAYSThe final week is for wearing it, not building it — dress rehearsal beats one more coat of paint.

🕒 THE HONEST RULE

If a piece is not started two weeks before the event, it is not in this year's costume. Build it for the next one.

PLAN + ORDER FILAMENT, DARK RED FABRIC, MASK PRINT

WEEKS 7-6

Plan + order filament, dark red fabric, mask print.

PARTS IN PLAY THIS WEEK

CRITICALMandalorian Mask — ⌚ 10h · €40
