- ▶ SUBJECT High Republic Jedi robes
- ▶ SCHEDULE 5 weeks plan
- ▶ BUILD TIME 15-30 hrs
- ▶ FORMAT Do this, then that

**A LONG TIME AGO, IN A WORKSHOP FAR, FAR
AWAY....**

5 WEEKS WEEK BY WEEK

Sol – the Jedi Master from The Acolyte, the High Republic era. Warm cream-and-gold layered Jedi robes (lighter and more refined than prequel-era), a beard, and a blue blade.

Steady wins. May the Force be with you.

5 WEEKS TO SOL

Week 5	Plan + order cream/gold robe fabric, blue saber	.
Week 4	Sew/fit the High Republic layers	.
Week 3	Add the outer robe + tabards	.
Week 2	Groom the hair + beard; saber clip	.
Week 1	Dress rehearsal + game day	.
APPENDIX	Quick reference & game day	.

🕒 YOUR FIRST WEEKS — WHERE MOST BUILDS DIE

Nearly every abandoned build dies in the first quarter: parts not ordered, printer not tested, nothing started. Win the first weeks — order everything, print one test piece — and the rest is downhill.

PICK YOUR BAR

*Same High Republic master, three depths of cream-and-gold tailoring — pick where you stop. The same build can be finished to three different bars — pick yours **now**, because builders who polish for the wrong one burn weeks.*

LEAN · €90-130

Casual

Reads as Sol at 5m: layer thrift-store linen tunics in the right warm ivory, add a trimmed beard and a blue blade, and skip the gold tabard embroidery entirely. The silhouette and colour sell it across a hall — nobody clocks the missing trim.

EFFORT · ~12 hrs

MID · €140-200

Convention

Reads as Sol at conversation distance: most builders land here with a sewn white tunic, real gold-toned tabards, a leather obi with a proper saber clip, and an ivory outer robe in the correct High Republic cut. Clean lines beat costume-shop beige every time.

EFFORT · ~22 hrs

REBEL LEGION · €230+

Approved

Reads as Sol under inspection: Rebel Legion approval wants the lighter, more refined High Republic robe lines — matched warm-cream fabrics, accurate gold tabard weave and stitching, a tailored fit, and a screen-correct beard and blade hilt. Every layer earns its place.

EFFORT · ~30 hrs

THE FALLBACK PLAN

*A first-time build of this suit is **15–30 hrs** of hands-on work across **5 weeks**. Life happens — so decide right now what gets cut when the clock wins. Finished beats perfect.*

BEHIND EARLY Drop first: No Armour, Bare Hands. Nobody will notice at 5m.

BEHIND LATE Simplify next: Hair + Beard, Tabard Drape, Reference & Fit, Trousers — buy instead of make, or borrow.

EMERGENCY Every printed part has a buy option. Switching one part to bought can save a whole week.

ALWAYS The final week is for wearing it, not building it — dress rehearsal beats one more coat of paint.

🕒 THE HONEST RULE

If a piece is not started two weeks before the event, it is not in this year's costume. Build it for the next one.

PLAN + ORDER CREAM/GOLD ROBE FABRIC, BLUE SABER

WEEK 5

Plan + order cream/gold robe fabric, blue saber.

PARTS IN PLAY THIS WEEK

HIGHRobe Shoulders — ⌚ 2h · €12

More tailored than prequel Jedi.
